

## THE CAMPAIGN FOR YOUTH SERVICES

**While the Campaign for Youth Services officially closed on December 31, 2009, there are still sponsorship opportunities available in the new building. If you are interested in learning more about how you can participate, please contact Nancy Bloom, Executive Director at 847-724-2620.**

\$125,000

### **Sponsor the Board Room**

In years past, the board for Youth Services met in terribly cramped quarters, stepping over boxes to find seats, and sharing elbow space at meetings. Today, Youth Services enjoys a beautiful board room that is a resource for community organizations in need of meeting space. Sponsorship for the Board Room not only supports Youth Services, it helps to sustain the work of multiple organizations serving the community.

\$75,000

### **Sponsor the Youth Workers' Offices**

The heart of the agency can be found in the talents of our agency's Youth Workers. Their bull pen office space allows professionals to share experiences and expertise as they creatively work to open new doors for the kids served at Youth Services.

\$15,000

### **Sponsor the Pantry**

The pantry, attached to our kitchen and beautiful dining room that overlooks the garden, provides critical storage for supplies and food that feed families during support group meetings. Youth Services also receives food donations throughout the week. The pantry continues to be a critical resource for those families in need of meals during times of financial stress.

\$2,500, 5,000,  
and \$10,000

### **Sponsor a small, medium or large art wall that is decorated with children's art or art depicting children**

Our children and youth take great pride in their creations, as do we. They never fail to bring a smile to the faces of all our visitors. These works of art also provide a therapeutic opportunity for children to express their true feelings. What is hidden and unspoken is often revealed through play and the creative process. Donors and honorees will be recognized with a naming plate on the sponsored art wall. If you are interested, please contact Nancy Bloom, Executive Director, at 847-724-2620.
